<TEXT>I do not want to pay more for my wireless telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund. I am concerned that this proposal could make my current wireless service unaffordable.

I only use my wireless phone for safety, security and emergencies. I have 3 minutes in 3 months. I don't want to lose this option so that big businesses can pay less than their fair share. I urge you to reject the proposal to move the USF collection system to a flat-fee.

Keep the USF Fair!

Sincerely,

Jackie Black
